

EXECUTIVE EDUCATION PROGRAMME

Owning and Investing in Art: Opportunities, Challenges, and Risks

10 ECTS Credits

The University of Luxembourg and its Competence Centre, in association with Christie's Education, are offering an outstanding two-week executive education programme: *Owning and Investing in Art: Opportunities, Challenges, and Risks*. Led by expert faculty and practitioners, the programme is unique in its approach to art, law and finance. It includes field visits to *The European Art Fair (TEFAF)* and to the *Masterpiece London Art Fair*, Christie's auction house and art galleries.
